

## **Online-Course *Russia and Global Governance***

### **Information Letter**

As a prominent Russian poet Fyodor Tyutchev noted: "You will not grasp her with your mind // Or cover with a common label, // For Russia is one of a kind – // Believe in her, if you are able...". Russian position in the world arena has a long-standing legacy built by history, national and cultural heritage.

This course is for those who seek to overcome stereotypes and shed the light on Russian values, motives and strategies in its foreign policy. FEFU leading experts will be eager to contribute to your knowledge and professional qualities.
