III. Campus Guide & Important Notes

1. Dormitory Exclusively for Graduate Students

Daegu University offers rooms in the International House(국제2관) exclusively for graduate students in order to enhance their academic achievement and research. All Global Korea Scholarship students may elect to stay in the International House. Currently there are 60 graduate students staying in 30 rooms. Each room is equipped with a washing machine, a refrigerator, a TV and a balcony. There are 15 restaurants available on campus so it is easy for students to find food that suits their taste.

2. Additional Information (Support for GKS Students)

- 1) Administrative support: Daegu University provides it's full cooperation to the offices charged with offering services for Global Korea Scholarship Students. Through the International Education Support Team and the International Student Services in the Office of International Affairs, Daegu University provides full support to Global Korea Scholarship students including academic counselling, dormitory management, immigration services, life counselling and a variety of other administrative support. As a result, Global Korea Scholarship Students feel less culture shock and are able to enjoy their study abroad experience at Daegu University. Moreover, in the Office of International Affairs and the Graduate School Administration, office members and assistants who can speak English, Chinese, Mongolian, Vietnamese and other languages have been staffed to help students communicate and ensure that they are content in their daily lives.
- 2) Administrative, Counselling
 - Daily living Support: We keep students informed about important information regarding scholarships and their lives in Korea through email and our website. We support students to ease their life and study at Daegu University.
 - Academic Counselling : At the completion of their Korean Language program and their entrance to the Graduate School, students are provided with counselling by their advisers and assistants from their department. Daegu University does its best to minimize difficulties students face when it comes to living and studying.
- 3) Scholarship and Welfare Support
 - Free dormitory accommodation (double occupancy) : Dormitory exclusively for international students (Hotel-like)
 - Free modern sports center (golf, swimming, health club, movies etc.)
 - In addition to the Global Korea Scholarship, Daegu University offers extra scholarships. Based on students' academic achievement, the scholarship is offered as follows
 - Level A: Published in international academic journals – maximum of 1.5 million won
 - Level B: Published in journals evaluated and registered by the National Research Foundation

- of Korea or awarded international exhibitions – maximum of 700 thousand won

*** Graduate School**

: Modern information societies demand intelligent leaders with an eye for understanding and the ability to read changes in the world. Intelligent leaders augment their knowledge in order to see the present, provide a vision for the future and serve mankind indefinitely. To foster the true intellectuals this era requires, Dongseo University's Graduate School focuses on the development of world-class research beyond community and nation. In accordance with this goal, Dongseo University operates joint graduate program with the Technical University of Berlin, the University of Erlangen, and Ritsumeikan University, making it possible for our students at these schools to get dual degrees.

*** Graduate School of Design**

: Until now, the needs of producers and customers have taken the lead in the field of design. Designers have created products primarily to meet demands of producers and customers. However, designers in the future need to create a new paradigm for future design as well as to predict the needs of producers and customers. Facing the era of 'Sensitivity', 'Creativity' and 'Science', design is the center of change in the world. Dongseo University's Graduate School of Design aims to cultivate students to be designers who can understand the change of time and create design culture for 21st century.

*** Graduate School of Mission & Welfare**

: We share the love and hope of humanity with all mankind! The Graduate School of Mission & Welfare works to foster Christian psychologists, leaders for church music leaders, and social workers who will help to decrease alienation, narrow the socio-economic gap and cure the spiritual emptiness and psychological anxieties of modern mankind with the Christian-based mentoring and psychological healing of the "Mission Spirit".

*** Busan-Fukuoka Cross-Border Graduate School of Business Administration**

: A global business world has opened. The world needs managers with expertise in globalism to change the world. The Busan-Fukuoka Cross-Border School of Business Administration is established to educate experts who will lead in the development of the Busan-Kyushu region. The graduate school offers the best curriculum for forstering of professional business managers who will be well informed on both domestic and international economic and financial matters, as well as international business management.

Ewha Graduate Student Dormitory, designed by Korea's top notch architect Kim Won, has an easy access from everywhere on campus and a renown for its beautiful outlook. It serves as a "second-home" to 460 graduate students, international students, students in language programs, professors & researchers from 50 countries all over the world.

Along with the Ewha-Samsung international House(dormitory for exchange students) adjacent to it, Ewha Graduate Student Dormitory makes the little "global village of Ewha." Numerous kinds of foreign language can be heard in this area from English, French, Chinese to Japanese and many more Asian, African, European languages.

The dormitory, established in September 2006 to enhance the globalization of Ewha, consists of two 9-story buildings which sum up to 16,597㎡ gross area. It has an inner court with two beautiful lawns that provides a rest for all residents. Especially, 12 glass lighting devices create a romantic atmosphere after sunset. Subsidiary facilities such as computer room, seminar rooms, reading rooms, prayer room, lounge, fitness room, laundry & ironing room, and kitchenettes provide a perfect convenience for residents.

Events on birthdays, Easter, Thanksgiving are great social offerings of dormitory life. With its excellent facility, the dormitory plays an important role in promoting intercultural communication and Ewha spirit within residents.

2. Contact: Seon-Jeong Lee (Tel:+82-41-560-2503, leesj@koreatech.ac.kr)

III. Campus Guide & Important Notes

1. Location

The KOREATECH campus is located in Byeongcheon, near the city of Cheonan. From KOREATECH, Seoul(South Korea's capital and largest city)is easily reached by bus and takes 1 hour.

Also KOREATECH offers a number of daily shuttle busses to and from Cheonan and Seoul.

2. How to get to KOREATECH

1) By Bus

- From the International Airport, take a bus to Cheonan and get off at and Cheonan Bus Terminal, then take a bus or taxi to KOREATECH (app. 20km, 20,000 Korean won)

2) By Express train (KTX)

- Take KTX train and get off at Cheonan-Asan Station, then take a taxi (app. 20km, 20,000 Korean won)

3) By Train/Subway/Express Bus/Intercity Bus

- Get off at Cheonan Station then take a bus (No.400, app.40 minutes) or a taxi (app. 17Km, fare 15,000won) to KOREATECH.

4) By Car

- Take the Gyeongbu Express Highway and exit through Mokcheon Toll Gate, turn right and proceed straight for 5km.

3. Major Facilities

1) Dormitories

- Five general dormitory buildings (main corridor, shared shower and toilets)
- One studio-type dormitory building (room with individual shower and toilet)
- One apartment-type dormitory building (3 to 4 rooms for 2 to 3 persons per unit)
- One English-only Dormitory building (same as apartment-type dorms, English spoken) Approximately 70% of all students live in our dormitories.

2) Cafeterias

Three cafeterias are available on KOREATECH campus (Student Cafeteria, Snack Bar, Faculty Cafeteria) and the price of the meals range between 2,500~4,000 won depending on menu item/cafeteria.

3) Sports Facilities

Sports facilities on campus include outdoor and indoor gymnasium, squash rooms, fitness center, table-tennis rooms, among others

4) Convenience Facilities

KOREATECH convenience facilities on campus include banks, kiosks, coffee shops, optician, bookstore, hair salon, public health center, among others.

5) Library

The Dasan Information Center of KOREATECH which takes its theme from Dasan, Jeong Yak-yong one of the greatest Realist Confucianism scholars of the Chosun period, is a cutting-edge facility with 20,000 books. The library has a special hall for various books on vocational training and specialty publications.

4. Life on Campus

1) Student ID Card

In general, all international students are required to carry with them at all time an alien registration card registered at the Immigration Office according to the Immigration Act. On campus, international students will be issued student ID cards that are used to enter dormitories and classrooms, kiosks, coffee shops, campus bus, borrowing books and used as debit cards, among others.

2) Student Clubs

Some 60 students clubs are available on campus, covering various sports, leisure, culture and arts, religious and volunteer services, as well as various academic fields. The clubs are also open to international students.

3) Major Events on Campus

Exciting activities take place on campus including the Hanmaek

Festival, a cultural festival organized by the Student Union and Student Clubs in May every year and Wuijuin, an academic festival held in October. During the academic festival period, graduates display their year-long work in an exhibition. Furthermore, various events take place around the dormitories, such as the festival "Resident Student Night" organized by the individual dormitory councils, and various sports games and competitions led by Student clubs take place on the campus that add to the dynamic spirit on campus.

III. Campus Guide & Important Notes

1. Life in Kyungsoong University

1) Introduction of Kyungsoong University

In 1955, Kyungsoong University is established by the Reverend Dr. Kim Gil-Chang, a pioneer of Christianity in Korea. the university has 9 undergraduate colleges (Liberal Arts, Law and Politics, Commerce and Economics, Science, Engineering, Pharmacy, Arts, Theology, and Multimedia) encompassing 5 different faculties and 50 departments. 1 faculty and 10 departments offer classes through the Evening College. In 2004, the Ministry of Education & Human Resources set our school's maximum enrollment for

freshmen at 3,120 students. There are 7 graduate schools (General, International Management, Multimedia, Education, Social Welfare, Clinical Pharmacy, and Digital Design). 9 affiliated organizations and seven affiliated research institutes have been established to aid teaching and research. Kyungsung University's 700 employees and over 13,000 students are all working together to achieve the school's educational goals.

2) Introduction of Busan

Kyungsung University is located in Busan, the 2nd largest city in Korea. Busan is a beautiful coastal city with two of the most famous beaches in Korea, Haeundae Beach and Gwanganli Beach. Kyungsung University is located in center of Busan and Busan is the first port city which Busan International Film Festival (BIFF), Busan Sea Festival, Busan Fireworks Festival, Busan International Rock Festival, Busan Biennale, The New Year Festival and various festivals are held every year.

– Attractions in Busan : Busan is usually called 'Marine City' by many people. There are many famous beaches, such as Haeundae, Gwangan-li, Song-jung Beach, Song-do Beach, and Dadaepo Beach. Busan is the city of mountains as it is named. Most of the mountains are at an elevation of about 500 meters which is not very high, nor low. There are well-known mountains such as Geumjeongsan Mt., Jangsan Mt., Baegyongsan Mt., Hwangnyeongsan Mt., and Seonghaksan Mt. Famous parks in Busan are APEC Nuri Park, Children' Grand Park, Youngdusan Park, Geumgang Park, Amnam Park, and Samnak Riverside Park. Cultural Centers of Busan are Busan Cultural Center, The National Center for Korean Traditional Performing Arts in Busan, Busan Museum of Art, Geumjeong Cultural Center, Haeundae Cultural Center

3) Dormitory(Nuri Dormitory)

The Nuri Student Living House, Kyungsung University's dormitory, was built to attract excellent students who are from the suburbs and to correspond with the new image of the university of a high-quality institution. The 15-story Nuri Student Living House can accommodate around 660 students in 330 rooms. Each room can accommodate two students and is designed with a deluxe bathroom, HVAC and refrigerator so that students can enjoy the most pleasant and comfortable campus life. As subsidiary facilities, there are a fitness center, a table tennis room, laundry rooms for men and women, dining room holding up to 400 people, a convenient store, a post office, a student lounge, an internet cafe, a party room, a students' autonomy office, a language lecture room, a conference room and an assembly hall. Besides,

rest rooms, meditation rooms and reading rooms are provided on every third floor respectively.

4) Sports Center

Our university operates a sport center in campus to lead more balanced student life to be healthy and happy. The sport center is equipped with a variety of exercise equipments for both aerobic exercise and work with weights and it have indoor swimming pools that have no chemical smell by setting up ozone filtering systems, water softeners, and facilities for blocking ultraviolet rays. Also in the sport center, there are a fitness center having a wide space for stretching, Squash Court fitting out with wooden floors and safety glasses and Aerobics room equipping with optimal surround sound systems and wooden floors.

5) Welfare Facilities For Students

Kyungsoong University's student welfare facilities consist of student convenience facilities and general campus facilities. Student convenience facilities include the departmental meeting rooms, men's and women's lounge areas in each college, club meeting rooms, and student council offices. Campus facilities include student and faculty cafeterias, snack bar, general store, barbershop, beauty parlor, copy center, photo shop, optical center, computer store, travel agency, coffee shop, bank, and post office.

6) Cultural Life on Campus

Throughout the years many kinds of academic and artistic festivals are held to enhance school spirit and to further the ideals of the university. The Daedong Festival is held each year around May 30, the anniversary of the founding of Kyungsoong University. Each department also holds its own "Fall Festival" during the fall semester. Various volunteer service activities are carried out by student groups including volunteer agricultural service three times every year during the spring, summer, and fall.

2. Important Notes

1) Eligibility for Application

- A. Preferential selection for applicants who have Korean Language Test Score(TOPIK, KLPT) or English Language Test Score(TOEFL, TOEIC, IELTS)
- B. Preferential selection for applicants who applied for natural sciences or engineering fields if qualifications are equal.

Requirements	MA	Doctoral
Desired program of study form ※(Appendix 1)	○	○

2) Application Procedure

Admission decisions are based on the candidate's academic achievements and potential, as well as his or her personal accomplishments.

The admissions committee reviews a number of factors including records of past studies (such as GPA), study plan, personal statement, and letters of recommendation. Other achievement records and specific qualifications such as language proficiency are also taken into consideration. Candidate's application is reviewed in the context of the level of studies completed, quality of achievement and characteristics of institutions attended. Finally, the appropriateness of the applicant's academic goals and suitability of preparation for the proposed program of studies are assessed.

Interviews, examinations, and/or additional documents may be required from the applicant, based on the policy of the specific college or department. Applicants will be notified via individual email should an interview or a separate exam be necessary.

3) Notes

- Submit the completed 'Desired area of study' form, along with rest of the required application documents to the Office of Admissions by **February 12, 2013 (Tue.)**.
- Specifics regarding the grades/points awarded or recommendation rankings will not be announced.
- If additional information are required during the evaluation process, additional documents may be requested for verification purposes.
- Applicant is responsible for any disadvantage resulting from error, omission or

incorrect input of requested information. Please pay careful attention while completing the application form to avoid any issues. Once the application has been submitted, changes (including the application information or desired program of their choice) cannot be made.

	Meal Charge	448,000KRW	- Period (16weeks/ semester) 1seme : Mar. 1 ~ June 20 2seme : Sept. 1 ~ Dec. 20
계	1,103,000KRW		

※Dormitory Management fee will be waived during semester for students those who finish Korean Language course and enter in Silla University Graduate school under this program.

2. BUSAN CITY

Busan, a bustling city of approximately 3.6 million residents, is located on the southeastern tip of the Korean peninsula. The size of Busan is 768.408km² which is 0.8% of the whole land of the Korean Peninsula. The natural environment of Busan is a perfect example of harmony between mountains, rivers and sea. Its geography includes a coastline with superb beaches and scenic cliffs, mountains which provide excellent hiking and extraordinary views, and hot springs scattered throughout the city. Busan enjoys four distinct seasons and a temperate climate that never gets too hot or too cold.

Busan is the second largest city in Korea. Its deep harbor and gentle tides have allowed it to grow into the largest container handling port in the country and the fifth largest in the world. The city's natural endowments and rich history have resulted in Busan's increasing reputation as a world class city of tourism and culture, and it is also becoming renowned as an international convention destination.

3. Important Notes

1) Application Procedure

- A. Application packages should be submitted in hard copy by air mail.
- B. All application packets will be inspected by Graduate school in Silla University before recommending to NIIED.
- C. Graduate school in Silla University may request telephone interview or portfolio to students during documents screening.
- D. Application will not be returned to applicant and additional documents might be asked to be submitted.
- E. NIIED will screen applications and select final scholarship awardee for this program.

III. Campus Guide & Important Notes

1. World Top 10 University by 2030

1) VISION: World leading university to advance science and technology for the prosperity of humankind through convergence in science and technology and by

cultivating creative global leaders who will usher in new scientific paradigms.

2) GOALS: To be ranked within the top 20 science and engineering universities by 2020 and within the top 10 by 2030

- **Education:** To cultivate leaders that excel in science and technology
- **Research:** To cultivate Nobel Prize winners as well as globally recognized scholars by 2030 (Winners of Fields Medal, Lasker Award, Curie Award,)

3) STRATEGIES: Creativity, Interdisciplinary Studies, Globalization,

2. Main Achievements and Competitiveness

1) Main Achievements

[2009]

- The Schools of Green Energy and Nano-Bio Chemistry were awarded the (World Class University) grant worth 20.9 billion krw by the government of Korea.
- Designated as a leading university for advanced technology of growth-generating and interdisciplinary industry (Advanced material/Nano).

[2010]

- Opening of the Super Computing and IT Research Center
- Opening of Hans Scholer Stem Cell Research Center

[2011]

- UNIST has been designated as a leading institution in the Global Science Business Belt Project along with DIGIST and Postech,
- Opening of the Institute of Basic Science (IBS)
 - Site Lab 1 : Soft Matter Advanced Research Team, (UIUC Dr.Granick)
 - Site Lab 2 : Low Carbon Material, (UT-Austin Dr. Ruoff)
- Lithium secondary cell electrodes Research Center (ITRC): 5 Billion Krw for 4years,
- Developing cathode material of secondary cell: 5.4 billion Krw in funding.
- Designated as research partner with Max-Planck-Gesellschaft (Germany)

[2012]

- Secondary Cell Electrode Research Center was awarded the Technology Transfer Project by the National Science and Technology Committee.
- Ulsan Interdisciplinary research center for advanced materials with KIST-UNIST
- Develop the battery recharging technology for electricity vehicles within 1 minutes
- the 2012 Nobel laureate in Physiology or medicine (John B. Gurdon) visiting the UNIST Stem cell Research Center and gave a special lecture

2) Competitiveness

1) 100% English lectures for all the curriculum

2) Strong support by government as the first incorporated National university in Korea

3) Outstanding Faculty

- 100% of UNIST professors achieved great research performance in world class institutes while approximately 2/3 of the of Professors are graduates from world leading universities such as Harvard, MIT, Stanford, Oxford, UC-Berkeley.

- Two UNIST professors have been designated as future potential Nobel Laureates
- Two professors's dissertations have been widely cited in a government sponsored contest.
- The number of professors at UNIST is expected to increase :
 2013 (200 professors) → 2017 (400 professors) → 2020 (500 professors)
 The ratio of professors to students is expected to be 1/10.

4) UNIST Multidisciplinary Institute (UMI)

7 kinds of divisions for interdisciplinary research.

5) UNIST Central Research Facilities Center (UCRF)

UCRF offer researchers more than 80 different state-of-the-art equipment for advanced research, and operate and Nano Fabrication Center

6) Global Exchange Program

- Summer Program of Internship and Korean Experience (SPIKE)
- Academic and financial support is provided for qualified international students
 - International Olympiad camp for foreign graduate students
- UNIST Summer Undergraduate Research Fellowship (U-SURF)
 UNIST Winter Undergraduate Research Fellowship (U-WURF)
- Overseas training and academic activities support programs
- Students Exchange programs
 - Program participants have come from the University of Michigan, Hong Kong University of Science and Technology, Columbia and other well respected institutions.

7) Global Research Collaboration

- **Main Collaboration Research institute** : Georgia Tech. Harvard, UC-Irvine, UT-Dallas, Univ. of Manchester, MPI for Molecular Medicine, IIT-Kanpur
- **World Class Research Center**
 - Graphene Research Center: Dr. Konstantine Novoselov (2010 Nobel laureate in Physics)
 - Stem Cell Research Center: Dr. Hans Schöler (Chief Researcher at the Max-Planck Institute)
 - Olympus Bio-Med Imaging Center
 - FEI Materials Imaging Center
 - GEV(Green Energy Vehicle) Center

8) Creativity Education Program (e-Education)

- LMS(learning Management System): Blackboard system based learning infrastructure
- M-Campus which is connected through Wi-Fi / Smart Phone / LMS
- All UNIST members (students, faculties, staff) can use smart education devices

9) Personality and Leadership development program for students

- Mentoring and Knowledge Sharing Project sponsored by the Korea Students Aid Foundation.
 - All UNIST students are encourage to participate in volunteering programs
- Non-proctored examination system

3. School Facilities

1) Library

UNIST Library can provide faculty, staff, and students with a variety of

information and digital data bases such as E-theses, journals, audio-books, periodicals, especially E-education materials, and E-books, to give users online access to high quality educational resources.

2) Dormitory

UNIST Dormitories are cozy apartment-style lodgings with separate heating and air conditioning. The dorms also play a role in developing global networks among students as the residents use English as a medium of communication.

3) Sports Center

Sports Center has swimming pool, squash court, indoor golf training court and fitness center. UNIST offers all of these facilities for students as well as community.

4) Center for Healthcare and Counseling

A welfare agency protects and promotes UNIST member's health of mentality and body. We provide health screenings, immunizations and health assessments, including consultations on health, disease treatment and prevention activities, first aid, individual counseling on psychological testing, group counseling, mental health counseling, and workshops,

5) UNIST Career Development Center

This center provides internship and leadership programs, career counselling, and employment preparation services in order to assist students.

4. Introduction of Ulsan city

Ulsan (officially the Ulsan Metropolitan City), is South Korea's seventh largest metropolis with a population of over 1.1 million. It is located in the south-east of the country, neighboring Busan to the south and facing Gyeongju to the north and the Sea of Japan (East Sea) to the east.

Ulsan is the industrial powerhouse of South Korea, forming the heart of the Ulsan Industrial District, which is home to the world's largest automobile assembly plant operated by the Hyundai Motor Company, the world's largest shipyard operated by Hyundai Heavy Industries and the world's third largest oil refinery, owned by SK Energy. In 2008, Ulsan had a GDP per capita of \$63,817, the highest by far in South Korea.

5. Fellowship programs to nurture world class scientist and scholars

UNIST provides graduate students with RA/TA financial support that covers tuition fees and minimum living costs every month, for graduate students who take on the role of research or teaching assistant. (Selected students are not allowed to also hold other scholarships during the same period)

1) Nine Bridges Fellowship

- Who may apply:** Excellent UNIST students in combined Master's-Doctoral courses or the Doctoral courses
- Amount & Terms:** Max.90,000,000krw over 3 years

2) Nobel & Star Fellowship

- **Who may apply:** Excellent UNIST students in the combined Master's–Doctoral or the Doctoral courses whose research fields are related to nominated world class scholars' laboratory
- **Amount & Terms:**
Max.90,000,000krw over 3 years + expenses of dispatch to overseas lab Max.30,000,000krw
- **Other benefits:** Six month laboratory dispatch to other world class institutions.
 - Research/Thesis guidance from both world class scholars and UNIST faculty members
