

MASTER IN FINANCE, INSURANCE, AND RISK MANAGEMENT

A post graduate Master of the University of Torino -XXIII Edition

This Master prepares students for highly skilled occupations that benefit from a strong quantitative finance background. These include careers in risk and asset management, in Fintech, in securities design and trading, in banking and actuarial jobs.

The Collegio Carlo Alberto, a joint initiative of the Compagnia di San Paolo and the University of Torino, fosters advanced research and teaching in economics, finance and political science. Nearly 400 people including students, researchers, fellows, junior and senior faculty and visiting scholars create a dynamic research and teaching environment.
